

THE ORIGINAL

Rubaroc was first founded in 1983 by Barry Meakings Sr. His tenacious commitment to developing a safety base product has evolved the Rubaroc formula into the high quality safety rubber-resin blend that it is now.

Today you will find Rubaroc products being used in a wide variety of applications. Rubaroc is extremely versatile; it is suitable for both indoor and outdoor applications. Logos, designs or borders can be easily integrated into your Rubaroc surface.

Your Rubaroc installation occurs without the use of jackhammers or other noisy bothersome equipment; it can be walked on within 24-48 hours, ensuring minimal inconvenience.

Rubaroc is unlike any other surface. It is long lasting, safe for children, easy to maintain, and you can expect a fast and professional installation.

If that isn't enough, you will enjoy peace of mind knowing that all of our Rubaroc products are guaranteed.

Rubaroc proves that safety can be beautiful!
